Purchaser's initials

I understand fully that I am signing a contract for services scheduled; up to and including any scheduled service in preparation for my wedding / event. Therefore, any cancellation in services for my personal services or the services of my bridal party will be held to the Envy Hair, Nail and Tanning Salon Cancellation policy in the paragraphs to follow. _____ Purchaser's initials

I understand fully that if I cancel my wedding / event 10 days prior to the date of the event, I am entitled to receive 30% of my deposit in refund. If I do not cancel 10 days prior, or I or my bridal parties do not show up on the scheduled event day, I will not receive any percentage refund of my deposit and **I will be charged in full** for the scheduled services. _____ Purchaser's Initials

I understand and agree that if I, or my bridal party, cancel or make changes to services altering the total amount due for services, I / my bridal party am / is still responsible to pay for those services. (i.e. Bonnie Bridesmaid wants a pedicure and facial scheduled 2 weeks prior to the event. The day Bonnie is due in for services, she decides she doesn't want a facial. Bonnie is still responsible to pay for that service unless that service is replaced with an equal costing service, or the difference in service cost is paid). (i.e. Mary Maid of Honor decides instead of her scheduled pedicure, she would like a spray tan instead. Because the spray tan costs more than the pedicure, she is responsible to pay for the difference in service cost). _____ Purchaser's Initials

I agree that the day of the event, no last minute changes can be made to the schedule. (i.e. Franny the Flower Girl was not scheduled for makeup, but since she is so small, can we do it anyway?). This type of change / alteration is ***not permitted***, as we have staff carefully assigned to provide each service. _____ Purchaser's Initials
